

LFA Sky Rides: The Linear City with Cany Ash

1000 ft
200 m

A tour of developments hugging viaducts, canals & roads. The tour starts under the Green Bridge in Mile End Park, stopping to view 'Lock-Keepers Cottage' by Surface Architects and 'The Westfield Student village' on the QMU campus. From there, the tour moves east to get a view of the unique characters of Fish Island by stopping at the developed warehouses on Stour Road. You may want a refreshment stop at 'The Counter Cafe' before heading towards the Hothouse on the edge of London Fields. The ride moves onto Kingsland Road to view SoDa Studios by Thinkingspace Ltd.

This map gives an overview of the route only. Accompanying navigational notes are also available to download.
