

# LFA Sky Rides: Places, Spaces & Squares: From Kings Cross to Southwark with Roger Madelin

2000 ft  
500 m

A ride to see some new spaces being formed on the railway lands at Kings Cross, then into Islington to look at some parks and gardens in wealthy and not-so-wealthy areas. The route moves into the City to take in some more formal set pieces and play spaces.

This map gives an overview of the route only. Accompanying navigational notes are also available to download.
