

LFA Sky Rides: Remodelling of Old Housing Estates with Wayne Hemingway

2000 ft
500 m

Ideas about city housing schemes have changed almost beyond recognition over the last 100 years. This tour of some of London's iconic housing estates shows how they have been remodelled and updated for a new century and a new way of living. You will discover some of the best examples of remodelled and regenerated housing developments across North London, starting in Bloomsbury and moving through Islington towards South Hampstead.

This map gives an overview of the route only. Accompanying navigational notes are also available to download.
